## Profile

Hi, my name is Daniel Bismire and I am a UX/UI Designer currently in my final year of a Bachelor's Degree of Design Computing. I enjoy taking on challenges as well as creating **thoughtful** and **engaging** user experiences.

## Education

Final year studying a Bachelor of Design Computing at the University of Sydney.

## Experience

### Special Broadcasting Service (SBS)

#### UX/UI Design Intern

Nov 2018-Feb 2019 & Nov 2019-Feb 2020

An Internship in the UX&D department working on design projects, over two summers. Main projects include working on the

**SBS Design System** and the **UX** for the **SBS Audio App**.

### Bunnings Warehouse

#### Team member

March 2018-Present

Working in a team to provide quality customer service.

### Food By Wayne

#### Caterer

Nov 2015 – Mar 2018

Catering and food preparation for functions including, Weddings, Birthday parties and other events. Providing quality customer service & driving the work van to functions.
